

ST. MATTHEW FEAST DAY WEEKEND

SEPT. 19 & 20, 2020

This would have been our Parish celebration weekend with activities for parishioners and school families.

Covid-19 prevents our gathering to celebrate. However, our Parish family continues to serve one another.

One Faith many cultures.

Thank you to the ministers who have adapted to state and Archdiocesan guidelines and continue in their ministries.

Thank you to the ministers who wait until they can serve again.

We join together, though apart, to celebrate Mass in church and online and look forward to being close community when it is safe to do so.

Blessings in Faith, and Love of Christ.
